

The Technical Assistance Team is looking forward to meeting new contacts in working with the D.A.T.E. grant and reconnecting with established contacts to roll out a smooth grant cycle. We are here to inform and offer support in multiple areas concerning strategic compensation.

Areas of support include:

- Call Center & Email
- Workshops & Conferences
- Program Consultations
- Performance Measure Database

Materials available for use include:

- Brochures
- Briefs
- Pre-Made Power Point Presentations explaining D.A.T.E. & stakeholder buy-in
- FAQ's

April Reminders!

Each month Technical Assistance will remind you of what important dates are pending. Should you have any questions or need assistance, we are here to offer support.

CONFERENCES & WORKSHOPS

DATE Summer Institute

JUNE 20-21
WYNDHAM GARDEN
AUSTIN

The Summer Institute, hosted by the Technical Assistance team, is DATE's annual professional development conference where participating districts come to learn and share the latest in DATE methodologies to successfully implement strategic compensation in their schools. This year the Institute will be held at the Wyndham Garden Hotel in Austin.

- Registration: Information will be posted to our website in the next few days. Please fill out the registration form as completely as possible.
- Cost: There is no cost to register for the Institute.
- Hotel Information: Information will be posted to our website on hotel room rates. Unfortunately, we will not be able to reimburse hotel costs this year.

Teachers, Administrators, Superintendents, and Grant Managers are the highlight of the Summer Institute. We have two opportunities for participants to share successful implementation strategies and their DATE experiences with conference participants. Please check our website to learn more about these opportunities:

- Breakout Session Proposals: \$500 45 minutes in length, follow one of three listed Summer Institute themes, April 25 deadline
- Teacher Speaker Contest: \$500 4-5 minutes in length, address 2-3 of the question options, May 2 deadline

Technical Assistance

Technical Assistance is housed under the Educator Quality department of the Institute for Public School Initiatives at the University of Texas at Austin. The goal of Technical Assistance is to help implement and oversee the use of TEA D.A.T.E. GRANT as given by the Texas Legislature. Technical Assistance is given by supporting Educational Service Centers in provided workshops for grantees and working personally with districts and campuses.
